

Rotary's Real Christmas Trees Community Fundraiser is Back for 2021!

Our Christmas trees – *Pinus Radiata* – have a beautiful pine fragrance and a traditional full shape. They're supplied fresh cut and ready for you to take home, decorate and enjoy. Come along, choose your own tree and meet friendly volunteers from the Rotary Club of Parramatta City, who will be there to help you.

Why Choose a Rotary Christmas Tree?

When you buy a Rotary Christmas tree, you are helping to support education, health and other community projects. Due to the impacts of COVID-19, this is our only major public fundraiser for 2021. This year, a major recipient of our fundraising is Food Ladder, an organisation that builds hydroponic, climate controlled greenhouses in remote and disadvantaged communities. Find out more at <https://www.foodladder.org>.

Your purchase helps us make a bigger impact.
